

As Readers and Writers...

In English, we will be using Read Write Inc to support the learning of phonics, reading and writing. We will learn sounds and apply them to our reading and writing. In writing, we will be focusing on using capital letters, finger gaps and full stops in simple sentences.

We will be using the text 'Leaf Man' to write a simple story using adverbs of time and exciting verbs and the 'Three Little Pigs' to rewrite our own story.

As Scientists...

In Science we will be learning about the human body. We will learn about the different parts of our bodies, what they are used for and that our 5 senses help us to learn about the world.

We will learn about the season 'Autumn'; observing and identifying the changes around us. We will be also learning why we use different materials for different things. We will be looking at the difference between an object and what it is made of.

As Designers...

In DT, we will be exploring slider mechanisms and the movement they output, to design, make and evaluate a moving storybook from a range of templates. We will also design a fruit and vegetable smoothie and accompanying packaging.

Year 1 Autumn Term

As Computer Scientists...

In Computing, we will learn to use Purple Mash to login, open and store our work. We will use sorting software to sort objects into groups. We will learn how to stay safe online.

As Respectful Citizens...

In PSHE, we will be looking at healthy and happy friendships. We will be learning about making friends and getting along with each other.

As Philosophers...

In RE, we will be answering the question, "How might worldview be seen in choices?".

As Musicians...

In Music, we will be using percussion instruments to explore rhythm. We will use our listening skills to identify musical elements.

As Artists...

In Art, we will be exploring mark making and line. We will be working and experimenting with different materials and then applying our understanding by drawing from observation.

As Mathematicians...

In Maths, we will focus on place value within 10 including: counting forwards and backwards; recognising numbers in numerals and words and representing numbers in different ways (for example, using objects, tens frames or drawings)

We will begin to practically add and subtract including finding one more or less. We will also be learning to identify and sort 2D and 3D shapes.

As Athletes...

In PE, we will developing our motor skills through fun and exciting lessons! We will be learning the fundamentals of PE through basic skills and moving on to working as part of a team.

As Historians...

In History, we will be learning about our own history to develop an understanding of personal chronology. We are also learning about what it was like for children in the past.

As Geographers...

In Geography, we will be learning about the features of Holbrooks. We will then be creating maps of our school grounds and carrying out an enquiry of how our playground can be improved.
